

A large decorative graphic on the left side of the page consists of a grid of squares. Some squares are solid colors (pink, yellow, blue, green, orange, red), while others contain abstract patterns like swirls, dots, or floral motifs in various shades of gray and color. The grid is arranged in a way that it seems to recede into the distance, creating a sense of depth.

The background of the poster is a stylized, painterly illustration of a city street at night. On the left, a building with large glass windows is illuminated from within, showing a grid-like pattern. In the foreground, a red and white checkered awning or canopy is visible. To the right, a multi-story building with several lit windows stands across a street. The overall color palette is dominated by reds, oranges, and yellows, with some cooler tones in the upper left.
